

Idaho Temporary Event Recommendations During COVID-19 Pandemic

Temporary Event Vendors must adhere to the requirements in the current [Stay Healthy Order](#). This document provides Vendors with additional strategies to protect the public's health during the novel coronavirus 2019 pandemic.

1. Stay home if you are sick and follow the [CDC's What to do if you are sick with coronavirus disease 2019 \(COVID-19\)](#).
2. Consider wearing cloth face coverings and gloves while working with patrons.
3. Direct the flow of traffic at your booth to maximize space between people.
4. Use signage and barrier protection to limit movement and maintain distancing.
5. Arrange booth so sides and entrances are a minimum of 6 feet between the next booth.
6. Arrange eating areas in a way that encourages physical distancing of groups.
7. Encourage customers to avoid occupying spaces between booths.
8. Provide additional handwashing station or sanitizer for patrons to use at your booth.
9. Do not use tablecloths on tables and frequently sanitization counters and tables.
10. Limit hand to hand contact by pre-packaging items and bagging loose items for customers. Set bags down to be picked up by the customers.
11. Use contactless payment and non-signature methods.
